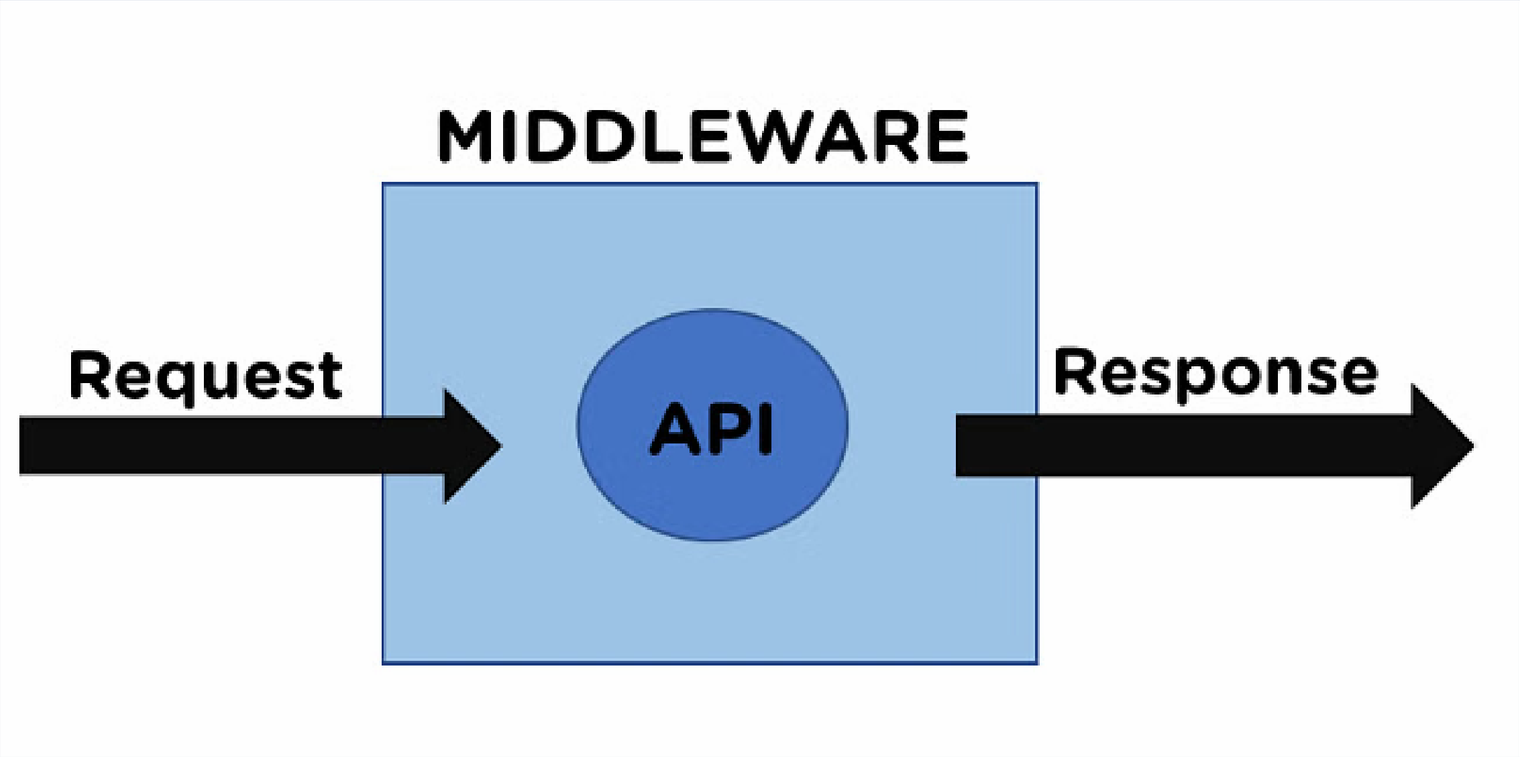
on it tumblr kickstarter thundercats migas everyday carry squid palo santo leggings. Food truck truffaut

What is ExpressJS?

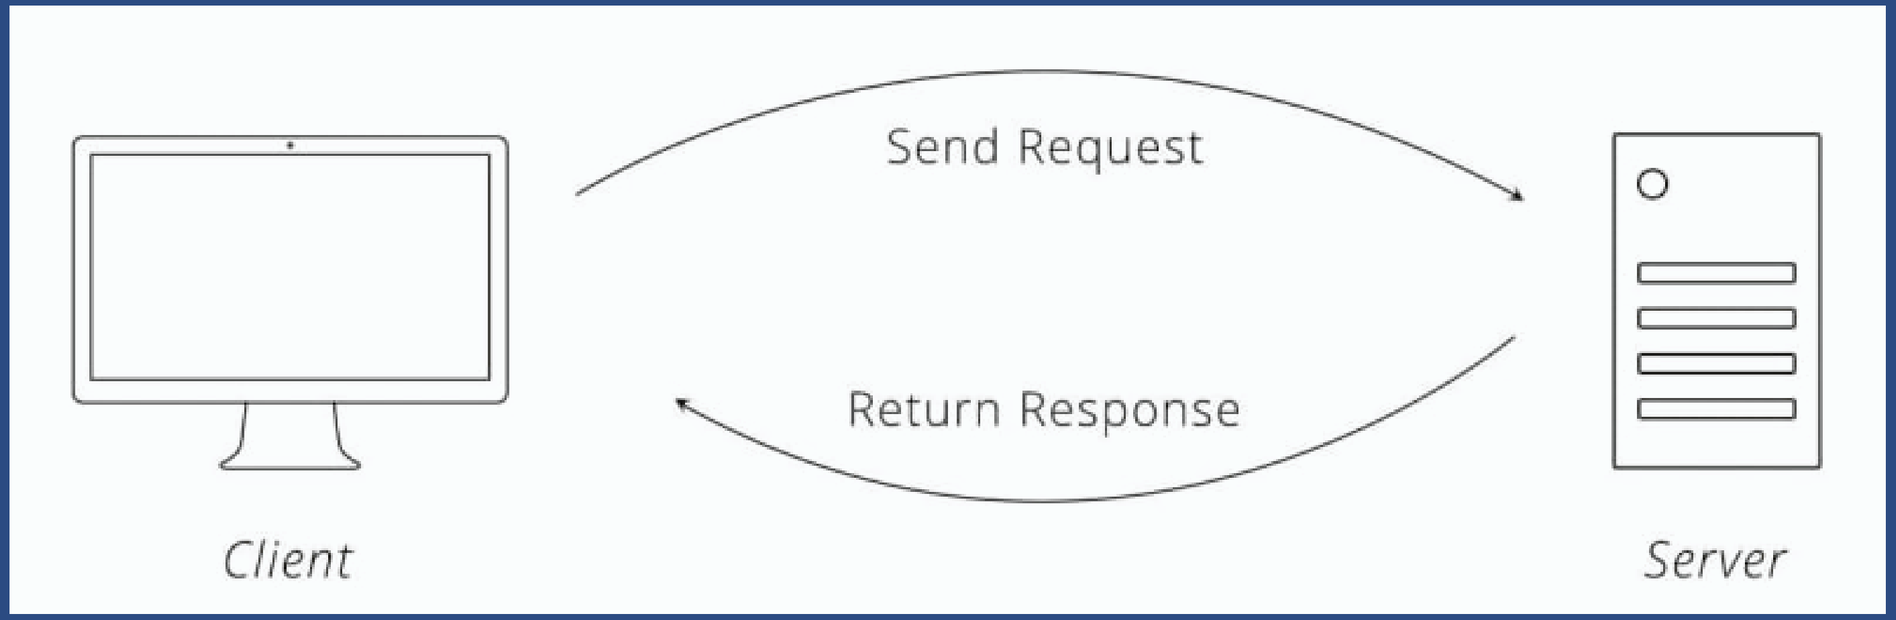
The role of ExpressJS



Creating a new Express Server

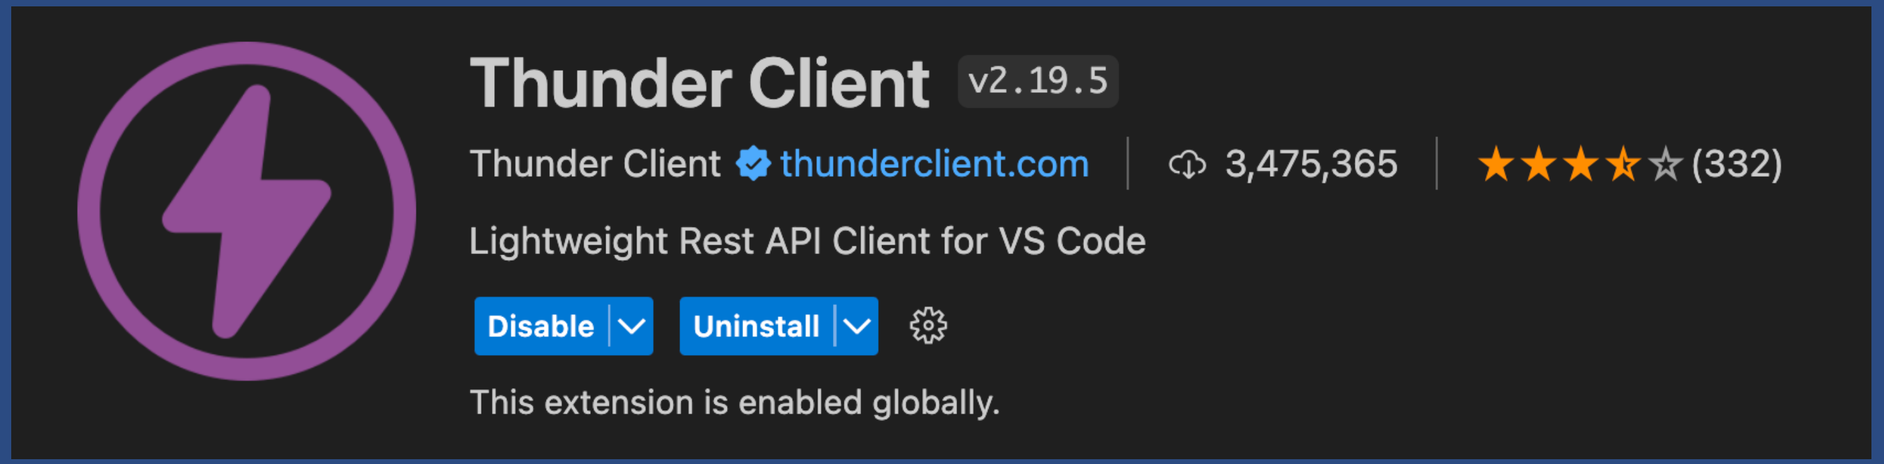
```
>_  npm init -y
```

Returning a “response”

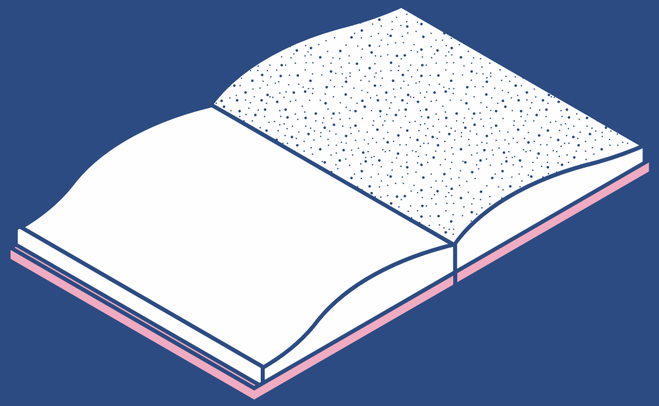


Do you have any questions?

Testing Express Server with Thunder Client



Do you have any questions?



What is Express.js?

1. A front-end JavaScript framework
2. A back-end JavaScript framework
3. A database management system
4. A CSS preprocessor
